

FINANCIAL INFORMATION

You may receive bills from several different providers for the care rendered to you today: The physician performing the procedure, the Ambulatory Surgery Center (ASC), an anesthesia office if anesthesia is provided, and a laboratory if specimens are obtained during your procedure.

If you have insurance, we will help you receive maximum benefits by filing for you; however, we will expect payment of co-pays, co-insurance, and deductibles at the time of service. We expect you to guarantee prompt payment of all charges if the insurance carrier rejects the claim of any charges related to this account. If charges remain unpaid, it may become necessary to turn the account over to a collection agency.
